

Sweet & Simple Valentine's Day Planner

One Month Before Valentine's Day

- Visit Pinterest and my Homegrown Learners post for inspiration
- Choose two Valentine's Day activity ideas per age group, child, or class
- Choose a family activity
- Decide on decorations, if any

One Week Before Valentine's Day

- Re-visit my chosen activities and make a list of craft items I'll need
- Shop for Valentine's craft items
- Make a list of food items needed for any Valentine's Day treats
- Shop for any decorations

One Day Before Valentine's Day

- Decide on time of Valentine's Day fun and send your family the invites
- Shop for any food items on your list
- Premake any food items that are necessary
- Gather all supplies to one location

Valentine's Day

- Divide your supplies by project or treat
- Prepare your craft areas
- Prepare your cooking areas
- Have fun!
